

ALL OF US AT THE FILLMORE COUNTY JOURNAL WISH YOU A MERRY CHRISTMAS AND A HAPPY NEW YEAR!

FILLMORE COUNTY
JOURNAL

As we welcome this New Year, our staff at the *Fillmore County Journal* would like to take a moment to thank our readers and our advertisers for their support, participation, and sense of ownership of this publication.

Without the support of our advertisers, we could not provide meaningful coverage of city council, county board, and school board meetings. We also could not provide free obituaries, along with free birth, engagement, wedding, and military service announcements. Without the support of our advertisers, there would be no sports section, and no recognition of the accomplishments of our youth. And, we wouldn't be able to provide all of the great human interest stories that capture the interests and hearts of our readers.

And, we thank our readers for not only supporting this publication by reading the newspaper cover-to-cover each week, but for also supporting the businesses that advertise in this publication.

There is a symbiotic relationship between our advertisers and our readers, for which we are grateful.

Our team at the *Fillmore County Journal* loves what we do, and we thank you for letting us be a part of your lives every single week!
