

Saints headed to State!

Senior Noah Thorson fist bumped his mates as the line-up was introduced at last Thursday afternoon's Section 3A championship games, played at Granite Falls.

Captains called their team together for a pep talk as the umpire was about to call 'play ball.'

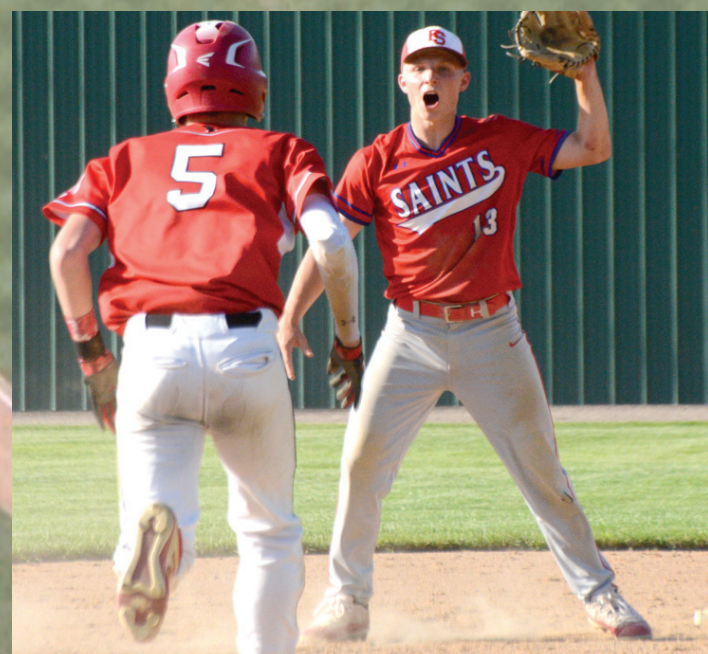

Head coach James Cortez gave his team some last minute instructions just before the Saints took the field in the first game.

A Lac qui Parle player dove back as junior first baseman Christian Diederich got the throw over.

Senior Cade Melin waited for the ball at second base.

Shortstop, senior Weston Gjerde called for the ball as a LqPV player was caught off base in a hotbox.

Freshman lefty Alex Call delivered a pitch.

Springing up to make a throw to second was freshman catcher Wylee Lottman.

Congrats on a Great Season and Good Luck at State!

Outstanding, Fighting Saints! Good Luck!

The Saints are a credit to their community. Good Luck at State Baseball!

We've looked at the numbers, and they all add up to a great season. Congrats Saints!
