

Saints headed to State!

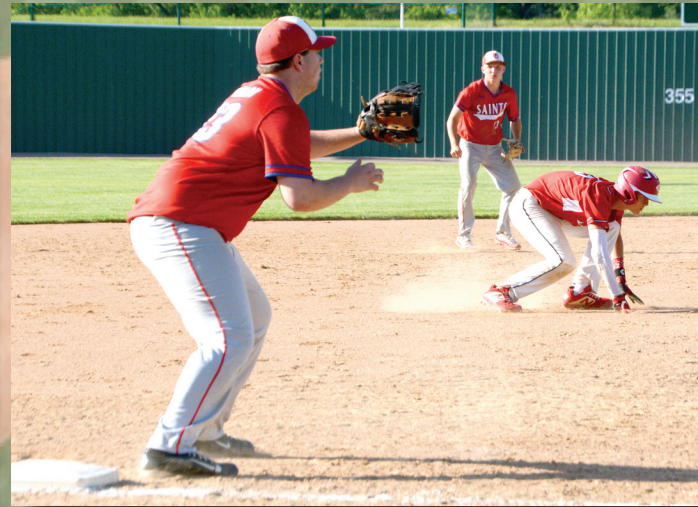

Catcher, freshman Wylee Lottman waited for the throw as a LqPV player slid home in the first game Thursday.

Moving to second base from left, soph Isaac Call fielded a throw down from home.

Senior right fielder Regan Carlson made a catch on the run.

Noah Thorson, senior, at third base waited for the toss over from the pitcher as the Saints infielders caught a LqPV player too far off second and finished him off in a hotbox.

Nice stretch and pickup by junior first baseman Christian Diederich.

The conclusion of a hotbox in game one on Thursday came with senior Weston Gjerde running down the LqPV baserunner, ending up in a cloud of dust and an out.

Senior second baseman Cade Melin measure a high pop-up, flanked by classmate Regan Carlson from right.

Senior Dylan Rudningen tried to steal second in the first game but a nice throw from home and tag just got him.

The sky is the limit, Saints! Have a blast at State Baseball!

Congratulations on a great season & good luck at State!

Al Simmonds - Distributor

Congratulations KMS Saints baseball team and best of luck at the State tournament!! Your hard work and determination makes your community proud. Enjoy the experience and keep making memories. --Tonia Nelson
