

# Ain't life Great...

Circle the bases... the umpire signaled a homerun off the bat of sophomore Isaac Call in the second game.

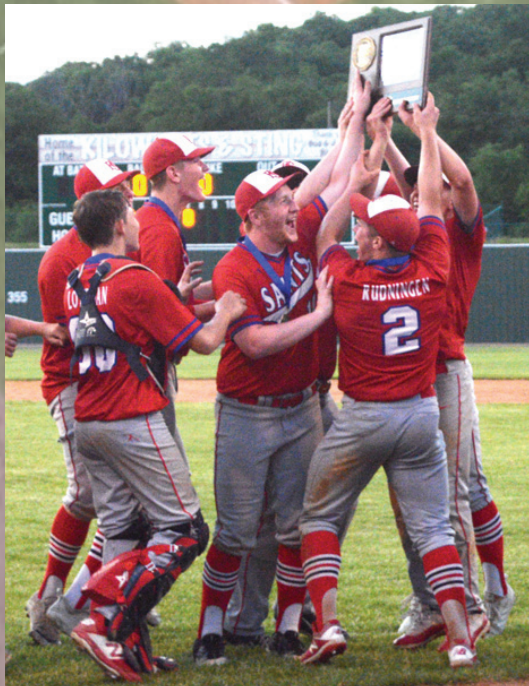

Isaac Call was ecstatic, as were his teammates who were waiting to mob him at the plate after the sophomore dinged one out of the park to put the Saints up for good in the second game. It was a three-run shot heard around KMS!

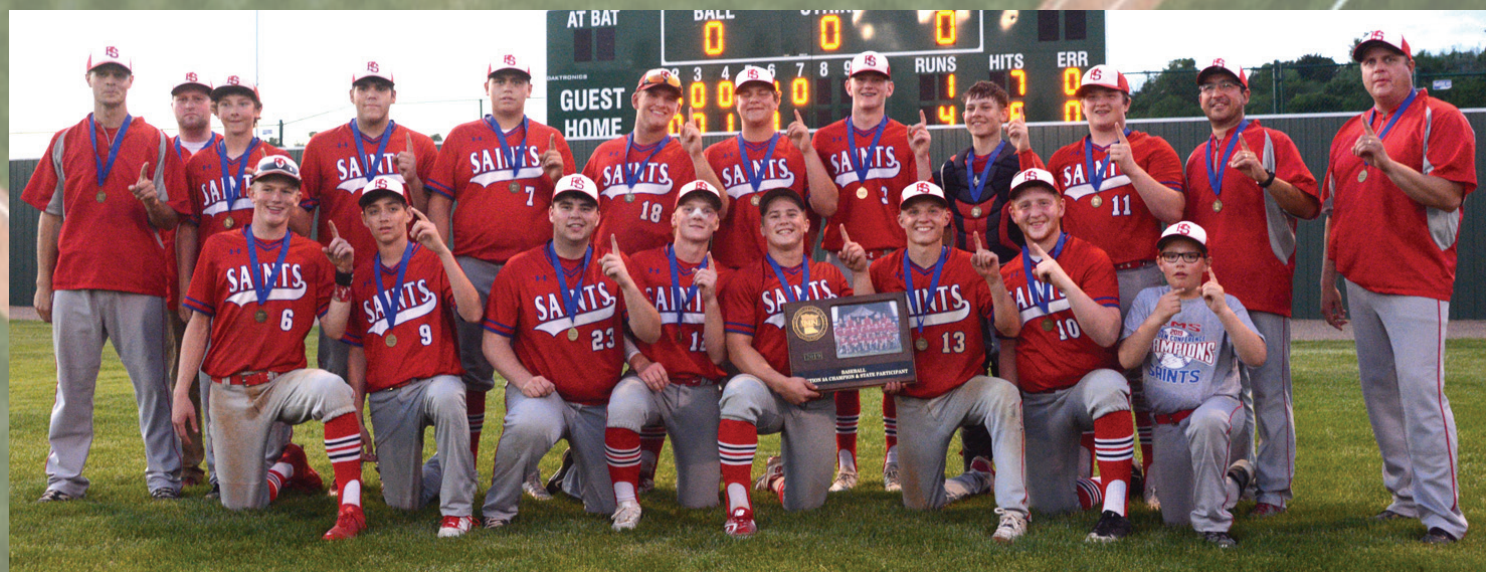

The scene after the last strike was called, sending the Saints to their first state baseball tournament since 2000, resembled a good gang tackle on the football field.

KMS Activities Director Brady DeBaere handed out championship medals after the game. Here, junior Chris Moist accepted his.

It was pure jubilation as the Saints received their championship trophy.

Yep... they're #1, after defeating Lac qui Parle Valley 4-1 in the Section 3A Championship game. From left are: (front) Isaac Call, Brad Wilke, Noah Thorson, Cade Melin, Dylan Rudningen, Weston Gjerde, Regan Carlson and student manager Logan Rudningen; (back) assistant coaches Justin Johnson and Jordan Helms, Hunter Wilts, Devon Swanson, Brody Forsell, Christian Diederich, Chris Moist, Alex Call, Wylee Lottman, Levi Sweere, head coach James Cortez and assistant Dana Molenaar.

A great team is like a great co-op... working together to win!
