"I have a Dream"

Martin Luther King Jr.

On August 28, 1963, during the March on Washington, Dr. Martin Luther King, Jr., delivered his famous "I Have A Dream" speech in front of thousands of civil rights supporters. Dr. King hoped for a future in which all people would be considered equal regardless of their race and class. On the observance of Dr. King's birthday, we remember his dream and pay tribute to his accomplishments and the accomplishments of those who have been inspired by him in the years since.

Wow, what a weekend for wrestling in Parker Prairie. Congratulations to our Bertha-Hewitt/Verndale/Parkers Prairie Varsity team on their second place finish. The elementary tournament was held on Sunday with 128 kid wrestlers in attendance. I am going to borrow the varsity slogan "all for one and one for all" looking around the gym this weekend I noticed a pretty awesome thing

Wrestlers, form the past, the present and the future and their families. There were past wrestlers helping with table scoring, announcing, tickets taking, concessions you name it they were there! Our present wrestlers were helping on Sunday scoring, referring, towel tapping ect. On Saturday our elementary wrestlers the future wrestlers were towel tapping and watching, learning, from their role models.
