**SUPERVISOR, METER SERVICES**

This is your opportunity to join a Dream Team of enthusiastic, engaged leaders at one of the best municipal utilities in the country. Your team of employees are dedicated to safety, the success of each other and Owatonna Public Utilities. We are a supplier of electricity, water, and natural gas services in Owatonna, Minnesota. We are seeking qualified candidates for the position of Supervisor, Meter Services. This position is responsible for the overall direction and supervision of the Meter Services Department. The duties of that department include the installation and maintenance of electric, water, and natural gas meters, regulators, meter remote communication devices, AMI devices and supporting equipment, maintaining meter reading software programs to provide accurate readings for billing and develops/implements department procedures.

Qualifications for this position:

- Associates (2 year) degree in Electronics, Business Management, or other related field is required.
- Five (5) years' experience working at an utility (electric, water, and/or natural gas) is required.
- Supervisory experience and a passion for leadership is preferred.
- Working knowledge of Microsoft Office Suite and data bases is required.

OPU's compensation and benefits are competitive and will be dependent upon qualifications and experience.

If interested in this position, please visit our website at [www.owatonnautilities.com](http://www.owatonnautilities.com) to submit an employment application to [marge.madson@owatonnautilities.com](mailto:marge.madson@owatonnautilities.com). Applications will be reviewed as received. An Interview day is scheduled for January 28, 2019. Inquiries can be made to 507-446-5414 concerning the position.
