**HELP WANTED - FINANCIAL SERVICES & BANKING**

**Market & Johnson**  
*Adding Value to Everything We Do*

**Chief Financial Officer**

Market & Johnson, Inc. is seeking a hands-on Chief Financial Officer that will be responsible for oversight of accounting and reporting activities. The Chief Financial Officer will report directly to the President and Board of Directors.

With over \$350 million in annual construction volume and growing, Market & Johnson is western Wisconsin's largest construction management and general contracting company that strives to add value to everything we do. We provide construction solutions to an array of industry segments, including K-12, higher education, medical, manufacturing, industrial, food processing, commercial, and civic and municipal clients. We employ a team of dedicated professionals who are highly collaborative, passionate about serving our clients and actively engaged in the communities we serve.

**Essential Functions:**  
 Responsible to the President, stockholders, Board of Directors and executive management for all financial matters of the company. As a key member of the management team, the CFO provides leadership to the organization and participates in developing finance strategies, policies, objectives, and operating plans to meet company growth and profitability goals. Provides timely, reliable financial and performance information required to plan, control, manage, and achieve the company's goals and objectives consistent with legal and regulatory requirements.

- Oversee all accounts, ledgers, and reporting systems ensuring compliance with appropriate GAAP standards and regulatory requirements.
- Works closely with President and Board of Directors to establish and implement financial strategy and objectives
- Responsible for cash management, asset management, investments, budgeting, cost management, operations analysis, and financial reporting
- Assists President and financial partners with strategic planning for the future growth of the company(s).
- Responsible for the quality, accuracy and thoroughness of all accounting and financial activities of the company and related reporting.
- Responsible for accounting staff, supervises employees reporting to the position.

**Qualifications**  
 This is an extraordinary opportunity for a mature leader with seven to ten years of accounting experience, ideally beginning in accounting and audit, followed by experience gathering, evaluating, presenting and reporting financial information to executive teams and shareholders.

- Four-year degree in accounting or finance required, prefer MBA, CMA or CPA. Minimum eight years of experience in accounting management, preferably in a construction or real estate environment preferred, but not required.
- Must be bondable.
- Prepare accurate and timely financial statements; organize, direct, control and perform accounting activities (basic and advanced)
- Deal effectively and professionally with a wide variety of people and situations; maintain the integrity of highly confidential business information
- Meet deadlines that change frequently; deal effectively with time pressures, stress and change.
- Solid experience coordinating audit activities and managing reporting, budget development and analysis, accounts payable and receivable, general ledger and payroll.
- Technology savvy with experience selecting and overseeing software installations and managing relationships with software vendors; advanced knowledge of accounting and reporting software
- Promotes a positive attitude and encourages a positive work environment with strong interpersonal and communication skills; experience in effectively communicating key data, including presentations to senior management, board or other outside partners
- Proficient in Microsoft Office Products with advanced Excel skills; Experience working with Vista by Viewpoint software a plus

Rockland Flooring is seeking an experienced professional for our Information Technology department. Rockland Flooring produces hardwood flooring for manufacturers of semi-trailers. This is an entrepreneurial environment that values employees focused on continuous improvement, willing to take ownership of their role in the business, and consistently show the urgency that customers expect. Rockland Flooring has six manufacturing locations spread over four states, with our corporate headquarters in Red Wing, Minnesota.

The Senior Systems Administrator's role is to ensure the stability, integrity, and effective operational support of the multi-location on-premise hybrid cloud information systems that support core business functions. This is achieved by monitoring the operational health of servers, network, and desktops, prompt resolution of server, network and desktop issues, and thorough ownership of the problem management process.

**Responsibilities:**

- Ensure the operational health of enterprise infrastructure and applications
- Collaborate with IT/Business staff to ensure smooth and reliable operation of systems for fulfilling business objectives and processes
- Create and maintain documentation as it relates to system configuration, mapping, processes, and service records
- Ensure virus, spyware and spam protection software is up to date and operating properly

**Preferred Qualifications:**

- Two-year college diploma or university degree in computer science or equivalent combination of education and experience
- 5+ years of experience in Microsoft systems administration
- Experience with core operating systems and applications
- Excellent written, spoken, and interpersonal communication skills
- Excellent troubleshooting skills
- Self-motivated and directed, with keen attention to detail
- Ability to travel to support remote offices
- Experience with Microsoft Azure is a plus
- Experience in Leading a small IT staff is a plus
- Great Plains Accounting Software experience is a plus

**Salary will be commensurate with experience.**
