Total Tax

DELINQUENT TAX LISTThe following table contains a list of Real Property located in Crow Wing County on which taxes and penalties became delinquent on January 2, 2019. County cost and interest calculated from January 1, 2019 are included in the amounts listed below, and must be paid along with total tax and penalties in order for a parcel of Real Property to be removed from the delinquent tax list.

Individuals that own homesteaded property, and are in the federal active military or other qualified duty service, are eligible for a four month grace period during which no penalties will be assessed for late payment of property taxes. Qualified taxpayers appearing in the delinquent tax list that have not applied may do so by providing a signed copy of their service orders or form DD214 that proves that the taxpaye was on active service on the date the payment was due. To file, determine eligibility, or for more information, contact your county Land Services's office at (218) 824-1010.
