

REF, MEET THE RAPTORS

Football referee Jim Burnos had no doubt what field he was on last Friday night in Carlton. It is home of the Carlton/Wrenshall Raptors team that is now 3-0 on the season, not Jurassic Park. *Dan Saletel / Pine Knot Sports*

FALL IN WITH US

It's definitely fall out there, from forest floors and canopies to your favorite roads and trails, it looks like a spectacular year for fall color, given all the rain we've had. These mushrooms were found at Pine Valley Recreation Area in Cloquet. The Pine Knot looks forward to your pictures — and printing them in the coming weeks. Send your best to news@PineKnotNews.com. *Jana Peterson / Pine Knot News*
