**Sparkles**

Sparkles was a fun-loving Calico Cat who always had time to play! She was taken to Heaven after only 17 delightful years as a member of my family. There will be no memorial service, just a private ceremony at her home.

I still anticipate the sound of your excited purr as I walk in the door. Your personality won me over as I picked you out as a kitty. She loved laying out on the deck soaking up the sun.

I will never forget the way you looked at me when you wanted to play or the way you'd snuggle with me when I needed comfort.

I'm so blessed to have had you part of my home. Sparkles will be forever cherished and missed.

The example here is 28 lines and would cost \$23.80.
