IN 4-H, ALL YOUTH ARE WELCOME

4-H is an out-of-school, hands-on learning program for people age 5-19. Youth choose a project that's interesting to them and explore it with peers and caring adults. 4-H clubs are groups of youth who want to learn together and meet in every part of Minnesota.

WHAT CAN I DO IN 4-H?

The sky's the limit! 4-H offers learning experiences in science, photography, agriculture, healthy living, civic engagement and much more. We have one-day events, year-long projects and everything in between. There are many ways to try 4-H.

HOW DO I JOIN 4-H?

You can fill out a registration form at any 4-H event or meeting you want to attend. Better yet, become a 4-H member to open up a host of resources and opportunities such as showcase and judging experiences, scholarships, leadership trips and more.

MISSING YOUR COUNTY FAIR 4-H PROJECT SHOWCASE?

The Globe is hosting a virtual showcase for Osceola, Rock and Nobles counties! Check them out at dglobe.com

Thank you to these area businesses for sponsoring this page and supporting our 4-H youth.
