MANAGER
WANTED!**

The **Waverly Municipal Liquor Store** is seeking an individual to fulfill the position of **Assistant Manager**. The position will include a work schedule of a minimum of 25 hours per week. Weekend and evening hours are required. The desired start of employment is immediate or within 2 weeks of hiring. The hourly wage rate for the position is based upon experience and qualifications. Starting salary is negotiable.

Job duties include but are not limited to all business aspects managing an on-sale bar including supervision of staff, scheduling, inventory ordering and management, accounting tasks, and financial management. Bar tending responsibilities, retail customer service, stocking product, and receiving deliveries are also included in the job description for this position. Participating in special event planning and supervision is required.

Qualified applicants should have at least two years as manager or assistant manager of a retail business. Experience as a bartender or with restaurant or similar operations is a plus. A two-year associates degree in business or equivalent experience is required. The successful applicant will have strong computer skills and proficiency in the operation of retail office equipment.

Physical demands of the position include frequently lifting or moving up to 50 pounds. Applicants must possess the ability to stand or be on their feet for several hours at a time.

**Applications are available at the
Waverly Municipal Liquor Store,
702 Pacific Avenue, Waverly, Minnesota,
at the Waverly City Office, 502 Atlantic Avenue,
by email to waverlymn@gmail.com
or online at waverlymn.org.**

**Applications will be accepted until
Noon on July 6, 2021.**

M&N Structures, Inc. is a growing structural steel fabrication company located in Winsted, MN. We are seeking a full-time employee to assist with miscellaneous shop tasks as a part of the fabrication team. The ideal candidate for this position will be reliable, hard-working, and detail oriented.

Responsibilities

- Surface preparation on raw materials using various hand tools, both pre- and post-production
- Painting of fabricated steel assemblies
- Assist in stacking and bundling of finished material for shipping
- Material handling, moving both raw materials and finished product, and assisting with loading and unloading trucks using forklifts.
- Other duties as directed by shop management

Skills

- Must be able to work in a respectful and professional manner
- Ability to think creatively, and apply that thinking to solving problems and completing tasks
- Committed to serve our customers, clients, vendors, team, and industry partners
- Be able to communicate clearly and to handle communication in an open and honest manner
- Must have an enthusiasm for learning and growing as a part of our team
- Comfortable with using forklifts
- Must have the ability to handle multiple and changing priorities
- Must be able to either work independently, or as a part of a team

Qualifications

- Must be 18 years old and have a High School Diploma or equivalent

Compensation & Benefits

- Hourly rate determined based on experience and qualifications
- Offered medical and dental insurance, 401k, and paid time off
