## MINUTES OF THE WRENSHALL ISD 100 SCHOOL BOARD MEETING HELD APRIL 19, 2021

The Wrenshall Board of Education, Independent School District No. 100, Wrenshall, Minnesota held its regular board meeting on Monday, April 19, 2021 at 6:00 p.m. in the Wrenshall School Library Media Center. This socially distanced meeting was in person and everyone is wearing masks and social distancing. Due to Covid protocols, this meeting is recorded and posted to the Wrenshall School website and the Wrenshall School District Facebook page. Chairperson Blanchard called the meeting to order at 6:00 p.m. Members present: Michelle Blanchard, Debra Washenesky, Alice Kloefer, Misty Bergman, Nicole Krisak, and Jack Eudy (phone). MOTION by Bergman seconded by Washenesky to adopt the adjusted agenda. Motion carried unanimously. MOTION by Bergman seconded by Kloefer to approve the consent agenda including checks nos. 52011-52114. Motion carried unanimously. Guest Speaker Katie Hilden-

brand, ARI – Kickoff preconstruction meeting is Tuesday, April 20. Construction will begin the end of May and will include the roof, exterior canopy, gym/multipurpose room/cafeateria update. MAVO Systems started asbestos abatement on site on April 19, 2021. Guest Speaker Shelby McQuay, Ehlers Financial, reviewed the April 15, 2021 Sale Day Report for the facilities maintenance bonds, Series 2021A. Superintendent Belcastro and Nicole Krisak signed the preliminary paperwork to enable the bond sale. Northland Securities came in as the low bidder – the maximum of \$965,000.00 bonds since true interest cost was 1.85 percent on that day. Funds available May 6. Superintendent Belcastro recognized the team who made sure Homecoming was a success for the students: John Peterson, Beth Peterson, Aaron Lattu, Joel Lemcke, Renee Duncan, and Tracey Mattson. Much of the celebration was virtual but the creativity used to make it happen was sensational. It was great to see the tradition continue even in these Covid times. Report of Superintendent: School District Transition Plan Update – There are seven confirmed active Covid cases as of today; Strategic Planning – Gail Gilman, MSBA, reported that 30 people have responded to the online survey but more community members should be encouraged to complete the online survey; Distance Learner 6th Assignment spreadsheet given to the Board members; Principal position posting has yielded eight applicants so far. Employee Spotlight: Chris Gustafson, Industrial Education teacher, discussed the construction class, construction plus a little wiring and a little welding, where they are building a garage for a staff member who lives in Wrenshall. At some point, this class will also be doing a major renovation to the concession stand on the football field. He was able to procure a grant this year that purchased some bigger equipment so the class is exploring the equipment and what it can do. Mr. Gustafson pronounced himself a scrounger who gains supplies in that manner and then creates projects to use the supplies. His 8th-grade class is making Ad-ironback chairs. He also teaches Driver Education. Mr. Gustafson is nearly certified as a work-based learning instructor. He is very excited about the possibility of an updated facility for his classes (IAQ Phase III), as his current space is too small. Report of Technology Director – Jamie Hopp: Synchronous Instruction brought Jamie to the school in Hill City, Minnesota to observe what they are doing to make this happen. Their process is currently in a test phase but it is working very well. The process is compatible with Chromebooks which makes it desirable for Wrenshall School as well. The Chromebook works with a TV monitor and microphone to replace whiteboards and projectors. Jamie is continuing the discovery process with this new information. Report of Director of Buildings and Grounds – Mike Smith: Two windows were broken in the bus garage on April 15th. The suspect was seen running away from the garage when the sound of broken glass was heard. The Carlton County Sheriff is handling the investigation. The windows are boarded up right now; Chris Gustafson will start the football field concession stand project in May with wall panel replacement and then finish up in the fall with roofing of the building with donated shingles; Leak in classroom 211 was repaired by Jamar; Boiler room water leak will be repaired during IAQ Phase II; IAQ Phase II asbestos abatement work started 4-19-2021 in the boiler room and near the pool; New VAV filter change issues will be reviewed by ARI for resolution; IAQ Phase II will require the gym to be closed for the summer beginning 4-26-2021. Informational items: Ehlers provided the Bond Trust Services Corporation document and the Bond Proposal form to be signed by Superintendent Belcastro and by Board Officer Nicole Krisak on April 15, 2021, enabling the sale of the Facilities Maintenance Bonds; PAES Lab sample donation letter given to the Board; 2020-2021 Summer School – Credit Recovery plans are moving forward with an expected

four to six weeks of instruction for grades 6 through 8. Plans are also being worked out for grades 9-12; Proposed changes in teaching assignments for school year 2021-2022 creates these needs: 1.0 FTE Secondary Science teacher 1.0 FTE Secondary Special Education teacher – 2 positions 1.0 FTE Elementary Special Education teacher 0.2 FTE English as Second Language teacher 0.6 FTE Spanish teacher 0.5 FTE Early Childhood Family Education teacher 0.4 FTE Business Education teacher 0.4 FTE Library Media Specialist. Open Forum: No emails received. MOTION by Krisak seconded by Bergman to adopt resolution ratifying the sale of bonds, Series 2021A, in the aggregate principal amount of \$965,000.00 and approving the execution of documents in connection therewith. Roll call vote: Washenesky-Y, Krisak-Y, Bergman-Y, Kloefer-Y, Eudy-Y, and Blanchard-Y. Motion carried unanimously.
