Trevin Gaustad racked up three more wins last Thursday and the Jackson County Central boys' track and field team finished second at a three-team meet in Windom.

Gaustad now has seven wins in eight events so far during his senior season.

In Windom, Gaustad set a new personal record in winning long jump with a leap of 19 feet, 5 inches. He also won the 110-meter hurdles with a time of 17.36 seconds.

Along with his two individual wins, Gaustad helped the 4x200-meter relay team win with a time of one minute, 44.22 seconds. Joining Gaustad on the relay team were Quinn Landherr, Alex Koster and Evan Insichienmay.

Gaustad added a second-place finish in high jump (5'6") to complete his day.

"Trevin has been jumping well," head coach Rafe York said. "He PR'd in both the long jump and the high jump. He also won his second 110 highs race of the season with his season-best time."

Three other JCC boys won individual races, including Ridge VanWesten, who gave the Huskies a sweep in the hurdles by

winning the 300-meter hurdles (48.09).

Evan Paplow ran the 3,200-meter run in 11 minutes, 37 seconds to win by 34 seconds and Caleb Soleta was victorious in the 400-meter dash (1:01.12) by more than a second.

Paplow added a runner-up finish in the 1,600-meter run (5:15) and Soleta was second in triple jump (33'9.75"). Reese Adkins finished third in triple jump (31'2").

Caleb Vancura led the Huskies in shot put, where JCC had the second-, third- and fourth-place finishers. Vancura was runner-up (37'9"), followed by Rory Schley (30'9") and Kris Altman (29'10").

Vancura also finished third in discus (79'2"), Altman was fifth (63'8") and Schley was sixth (53'6").

The team of Adkins, Elijah Meium-Bratrud, Koster and Insichienmay finished second in the 4x100-meter relay (50.74) and the foursome of Landherr, VanWesten, Adkins and Soleta came in third in the 4x400-meter relay (4:06.12).

Insichienmay cleared 5 feet, 4 inches to finish third in high jump and Koster soared 18 feet, 1.5 inches to finish third in long jump. Insichienmay was also fifth in the 200-meter dash (26.06).

Caleb Soleta circles the track during a win in the 400-meter dash last week in Windom.

EJ Peterson finished fourth in the 800-meter run (2:49.86) and Soleta was eighth in the 200 (26.77).

Gabriel Phillips placed fifth in the 100-meter dash (13.71) and was 11<sup>th</sup> in the 200 (28.8).

The Huskies — both the boys' and girls' teams — have gotten solid contribu-

tions from some youngsters and York expects that to continue.

"The eighth-graders we've moved up have done a great job so far," he said. "We have tried to ease them into varsity competition, but they'll start being asked to carry more of the load when the coaches think they can handle it, which will probably be sooner than later."

Eighth-graders competing in Windom for the boys were Koster and Landherr. Eighth-grade girls who competed were Romi Rosenbrook, Brylee Anderson and Erica Hanson.

The JCC boys had a team score of 58 to finish just behind Windom's 63. Pipestone placed third with 46 points.

stood out, picking up four wins," York said. "She keeps moving up the top-10 list in the triple jump and she keeps improving in each of her other events as well. Of course, Maci being Maci, she wants to do even more events."

Peyton Hanson also won an event, giving the JCC girls six first-place finishes. She won the 300-meter hurdles with a time of 53.37 seconds.

Peyton Hanson, Brylee Anderson, Landherr and Emma Haren teamed up to finish second

in the 4x200-meter relay (2:02.86) and Romi Rosenbrook, Taylor Post, Payten Benda and Anderson were second in the 4x100-meter relay (59.17).

Haren (high jump, 4'4"), Rosenbrook (long jump, 14'0.5") and Landherr (triple jump, 31'2.75") all added an individual second-place finish to go with their relay runner-up finishes.

Olivia Anderson also placed second, doing so in the 800-meter run (2:57.05).

Benda finished third in high jump (4'4"), giving the Huskies two of the top

three finishers. Brylee Anderson and Olivia Anderson both cleared 3 feet, 6 inches to tie for seventh in the event.

After her thrilling win in the 4x8, Paplow placed third in the 1,600-meter run (6:25). Haren added a third-place finish in the 400-meter dash (1:14.12) to her two runner-up finishes.

Post placed fourth in the 200-meter dash (31.91) and fifth in the 100-meter dash (15.08). Adyson VanWesten was eighth in the 100 (16.34) and also finished 10<sup>th</sup> in long jump (10'7.5").

Rosenbrook finished fourth in the 300 hurdles (1:02.76) and Hotzler was fifth in long jump (12'11").

Riley Poelaert placed fourth in both shot put (22'6") and discus (69'11").

York said he liked the way the girls competed during the meet.

"We're really spreading our kids thin to stay competitive, so it's gratifying to see them step up and do well in multiple events," he said. "It absolutely kills me that we're leaving a few events open every meet, but that's just the way it's got to be this year."
