1992). Carter made sure he kept the tradition in the household his last time in the Packers jersey.

“It was so special. He’s had the kind of season where he’s wanted to step up in the big times,” Mike said. “He stepped up at the biggest time and I’m so proud of him for that.”

West Fargo jumped out to a 12-4 lead five minutes in on buckets from three players. The Packers continued to widen the margin, which grew to as high as 17 points (40-23) in the first half.

Minot came roaring back and opened the second half with a 14-2 run. Martinez was the catalyst of the comeback bid, dropping 19 points Sunday. Minot’s Michael Ross posted 11 points in the second half.

“Martinez is phenomenal. We knew they were gonna do that,” Packers head coach Adam Palczewski said. “I didn’t think we responded great right away, but at the end we calmed down and played team basketball. And at the end, team basketball was what won the game.”

When things went south Sunday, the Packers kept their composure.

“We dug them in a hole, they came right back,” Carter said. “It seemed like they had all the momentum at the time, but we had to stick with it. We’re a mentally tough team, Coach Palczewski has been breeding us that way. So we stuck with it, stayed tough and got it done.”

Carter registered a double-double with 21 points and 12 rebounds, both of which were team highs.

“It’s indescribable,” Palczewski said of the win. “We’ve had some bad luck in the past and things happen and you want a little bit

“I’m just proud of them. This team, we came a long way.”

of justice. A little bit of West Fargo justice was good today. I’m so proud of our guys.”

Brett Limke tallied 13 points for the Packers and Pease had 10.

“It doesn’t even feel real. It feels so crazy. I’m so happy,” Pease said. “Everyone just played their hearts out. Even the bench people, all the energy they gave us — we run off energy.”

Noah Daniel, a sophomore at West Fargo, only played one season for the Packers, but was emotional after the win. Originally from South Sudan, Daniel was 19 years old when he played his freshman year for West Fargo. In North Dakota, students

cannot play high school athletics once they turn 20 years old.

“My tears cannot stop. I’m just so happy,” Daniel said. “I’m just proud of them. This team, we came a long way.”

Though he doesn’t suit up, he’s still very much a part of the program. Daniel is at practice each day, and has a spot at the end of the bench every game.

“It doesn’t matter what comes my way, I’ll stick with them for the rest of my life,” Daniel said.

Kinnebrew led the scoring charge in the first half, recording 10 of her 12 points before the break.

Fey led Davies with 14 points and eight rebounds and Ava Wild had nine points and seven rebounds.

The Eagles finished the season 24-3 and reached the state championship game for the first time in school history.
