

CROSS COUNTRY STARTS OFF WITH A BANG AT RIVERSIDE CHRISTIAN SCHOOL

MASON'S DONATE TO GREEN WAVE ROBOTICS

Riverside Christian School is happy to announce developments in their athletics program. This summer, Riverside Christian School established their cross-country team under the leadership of Coaches Barbara, Gabe Arntson, and Rebecca Marshall. Eighteen students began conditioning and endurance training this August in preparation for the fall season. In their first junior meet on Thursday, September 2nd at Thief River Falls, with only 3 weeks of training, nine Riverside students medaled. Many parents were able to watch the students compete in the rain and mud, demonstrating the perseverance and grit developed in practice. Coach Gabe Arntson said, "We are excited and proud of these students as they build camaraderie, develop life skills and grow on their journey to become future Christian leaders and athletes."

Red River Masonic Lodge #292 and the Grand Masonic Lodge Charities are proud to present a check for \$500 to Jared Senger, advisor for the Green Wave Robotics Club. The Robotics Club cleaned the ditches along Business Hwy 2 in East Grand Forks earlier this spring for the Masonic Lodge. More than ten students volunteered to help with the clean-up. The money will be used to fund robotics kits and tournament fees. Presenting the check to Senger were (left to right) Lodge Secretary, Loren Johnson; Lodge Master, Kenneth Brejcha; and Lodge Tyler, Bob Simonson.
