As an individually-owned small business, my advertising is done on a strict budget. The Pine Knot has been absolutely wonderful maintaining consistency within my budget and providing fantastic advertising. The ad is simple: the brand of a shoe company, a picture of the shoe a quote and the business contact information. Burger's Shoes prides itself in great service, knowledge and quality. Advertising in local avenues, such as the Pine Knot, reminds the community that small businesses are important and necessary. Advertising in the Pine Knot has helped my first year of owning Burger's Shoes and I hope to continue to grow with the help of this dedicated newspaper.

Thanks Ivan!
