To whom it may concern:

We have been working with the Echo Press for many years. My sales representative has given us wonderful ideas on how to reach the customers that we strived for. She gave us great feedback on how to catch the audience's attention, whether they be returning customers or new customers. We appreciate the extra effort that she has given us to make sure our ads have conveyed the message that we were hoping for.

Thank you

A handwritten signature in black ink that reads "Katie Carlson". The signature is written in a cursive, flowing style.
