StormTRACKER forecast

There may be a few clouds lingering on this Wednesday morning, but skies will become mostly sunny. It's a decent day to dig out from the snowstorm as the wind will be much lighter from the northwest today at 5-10 mph. Temperatures remain cold with highs in the upper single digits and low teens near the lakefront, but without a big breeze the wind chill won't be unbearable.

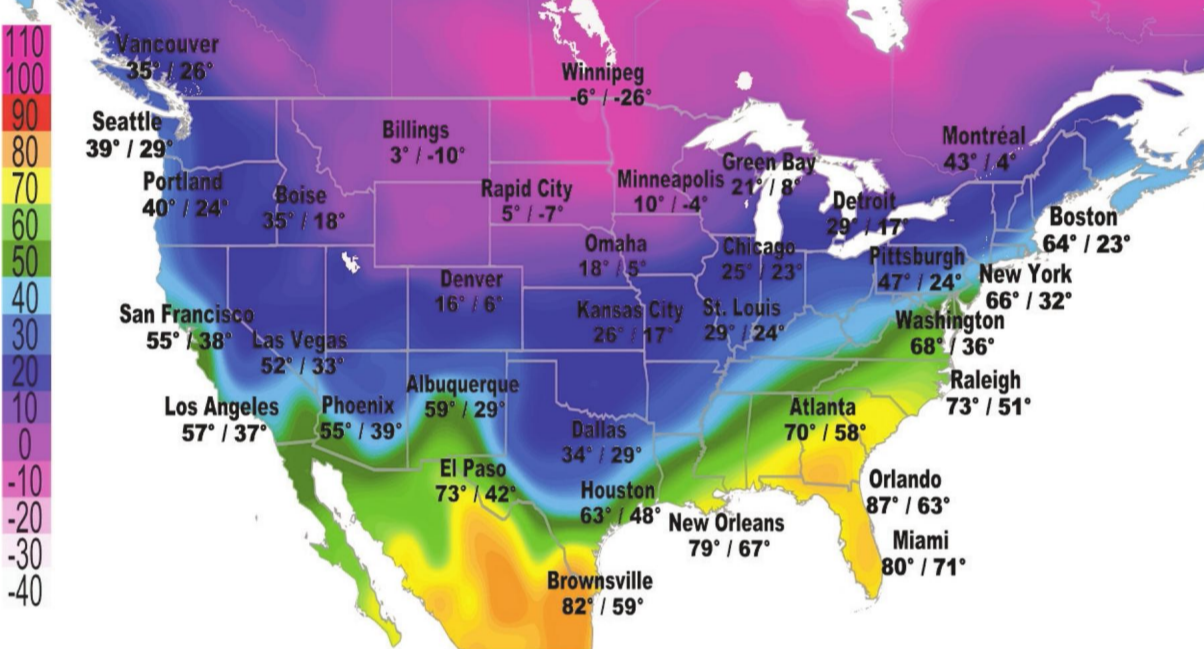

Wednesday night will be partly cloudy with

Almanac Through 6 pm Monday
