WE'RE GOING TO HELP YOU GET SOMETHING FOR NOTHING.

Folks... this is our best subscription deal of the year, and it only lasts while we have the Christmas spirit. Because we want to add new subscribers to our list we are offering you the chance to give someone who doesn't currently get the paper a one-year gift subscription... **and we will match it for you!** What that means, essentially, is you can give a Christmas gift to someone for **FREE!** (They don't have to know you didn't really spend a cent on them!)

Act NOW. This is a limited offer, and after December 31 it's too late to squeeze every last bit of copper out of those moldy pennies of yours! Remember... it has to be a NEW subscription (or at least 6 months expired) to qualify for your free year. If in doubt about someone's subscription status, give us a call and we'll check our list for you. We'll even send a gift certificate to the recipient of your "generosity" telling them it was YOU who gave them this subscription!
