done because the road-

couple of years." • 1960s & 1970s: miles, \$24.2 million. Kasson to Roches-

ter completed. 13 miles, \$5.5 million

• 2003: Highway 14 Partnership/Coalition formed and remains in existence today Dodge Center to Kasson section completed, 9

• 2012-2021: Owatonna to Dodge At least 5 fatal crashes involving 9 Center section began and completed in four deaths since November stages with the most 2012 on 12-mile stretch recent ending in 2021. between Dodge Center Total of the stretch: 18 and Owatonna miles, \$201 million.

stages ending in 2012, 32

• May 2018: funding for expansion Gov. Mark Dayton of Highway 14 from signs the 2019 bonding Owatonna to Dodge bill into law, including Center.

• November 2019: Owatonna to Dodge Groundbreaking is Center stretch and conheld to complete the struction soon begins

• March 2020: sion of Highway Legislature passes 14 from Nicollet to bill to complete expan-New Ulm

• December 2020: A dedicated deer crossing, the first of its kind in Minnesota, is constructed under the expanded Highway 14 near Claremont. The oversized, box culvert, goes from one side of the four-lane to the other, and is about 200 feet long, 20-feet high and 9-feet wide. The underground crossing, which cost \$219,000 to construct, is expected to reduce

the possibility of vehicle-deer collisions along this stretch of the road. • Nov. 9, 2021: The 12.5-mile stretch of 4-lane stretch between Dodge Center and Owatonna opens, completing the 72-mile stretch of continuous, 4-land roadway from Rochester to Mankato. Total for this stretch: \$188 million Sources: Interviews. newspaper archives and MnDOT records.
