#### Simple Saturday

"Simple Saturday" columns focus on improving basic technique and logical thinking.

Unlucky Louie, a member of my club, has nine kids. He says that the art of parenting amounts to knowing when to run out of patience. Declarer often needs to exercise patience in drawing trumps.

In today's deal, 3NT would have been unbeatable for North-South. South might have raised North's 1NT to 2NT; North might have bid 3NT over three spades. STUCK IN DUMMY

At the actual four spades, South won the first diamond with the king and ... drew trumps. He next led a heart. Dummy's king won but South was stuck in dummy. He tried a club to his king, but West took the ace and led another diamond, dooming South to four losers.

South must be patient. He leads a heart

to dummy at Trick Two before drawing trumps. South can then lead a second heart. West takes the ace and leads another diamond, but South wins in dummy and discards his last diamond on the high heart. He loses two clubs but makes game. DAILY QUESTION

ANSWER: You have balanced pattern and a club trick, but to rush into notrump would be wrong. You have aces -- good for suit play -- and diamond support. If partner has A K 8 2, 2, K 9 8 6 3, K Q 4, you might go down at 3NT, cold for six diamonds. Jump to three diamonds or bid a forcing "fourth-suit" two clubs. South dealer

Vanderbilt win A team led by Andrew Rosenthal won the venerable Vanderbilt Knockout Teams at the ACBL Spring NABC. In the final, ROSENTHAL (Christian Bakke, Boye Brogeland, Jan Jansma, Aaron Silverstein, Chris Willenken) defeated another sponsored and multinational team. GUPTA, 119 to 102

In today's deal, Silverstein brought home five diamonds. He ruffed West's ace of hearts, led a trump to dummy's nine and returned the jack of spades: six, four, ace. Declarer ruffed the next heart, went to the king of clubs and led the ten of spades (not best): queen, king

LAST TRUMP

Silverstein next cashed a high trump. West discarded, but South then led the high nine of spades. East ruffed and led a third heart (an error). South ruffed, led to the queen of clubs, drew East's last trump

**Bidding inference** In the final of the prestigious Vanderbilt Teams at the Spring NABC, Andrew ROSENTHAL's squad led by a lot at the half, but their opponents, Venita GUPTA, narrowed the gap in the third set.

In today's deal, both Souths played at 3NT after a 1NT opening and a Stayman response, doubled by East to direct a lead. Both Wests led the deuce of clubs, and East took the king and returned the six, giving declarer a nasty guess.

#### ASSUMPTION

In fact, South's play was indicated. He had to find East with the king of spades to have a chance, but East had passed as dealer. If East had the king of spades, A-K of clubs and most likely a diamond honor, he would have opened.

For GUPTA, Andreas Meister found the winning play of the ten. He won the third club with the queen, led a heart to

dummy, returned the queen of spades and ended with nine tricks. In the replay, ROSENTHAL's declarer also went right in clubs, but after he took the queen, he inexplicably led the ace of spades. Down one.

ANSWER: To pass might be right. When your hand is this weak, you might judge not to give partner another chance to bid -- and maybe get too high. Still, you have a "working" ace and king, and if partner has five diamonds and four clubs, he will often do better at a 5-2 fit. Bid two diamonds East dealer

### HOROSCOPE -**Royal Stars Horoscope**

#### By Georgia Nicols

Moon Alert: There are no restrictions to shopping or important decisions today. The Moon is in Cancer.

Happy Birthday for Wednesday, June 29. 2022:

You are a loving and compassionate person, which is why you truly care about others. Because you are tenderhearted, you sometimes need to withdraw to protect yourself. This is a year of change for you; therefore, stay light on your feet and remain flexible. Stay positive and be open to new opportunities. Travel is likely.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

#### ARIES (March 21-April 19)

★★★ Pay attention to everything you say and do today to avoid accidents at home. Possibly, these accidents are verbal. You might blurt out something that you later regret. Meanwhile, small appliances might break down or a minor breakage might occur. Be mindful. Tonight: Focus on home and family.

#### TAURUS (April 20-May 20)

★★★★ This is definitely an accidentprone day for your sign, which means you have to keep your eyes open. Pay attention to everything you say and do, especially when walking, jogging or driving. On the upside, you will have some novel, original ideas. Tonight: You have something to say.

#### GEMINI (May 21-June 20)

★★★★ Keep an eye on your money scene today, because something unexpected could impact your finances. It could be minor; it could be major. You might find money; you might lose money. Be smart and protect your possessions against loss, theft or damage. Tonight: Ponder your values. What really matters?

#### CANCER (June 21-July 22)

★★★ Today the Moon is in your sign dancing with Uranus. This will stir up feelings of independence and self-reliance within you. There will be lots of energy in the air, and you will be inclined to act on your impulses. New ideas, new situations and new faces are likely. Tonight: Go after what vou want.

#### LEO (July 23-Aug. 22)

★★★★ This is a restless day for you because the Moon is hiding in your chart, while at the same time, being stimulated by electric Uranus! This is why you might feel mildly anxious about something and not know why. Don't worry about this, because it's temporary. It will be gone in 24 hours. Tonight: Seek out solitude.

VIRGO (Aug. 23-Sept. 22) ★★★★ This is a classic day to make a new friend or meet someone in a group situation. This new encounter might be exciting and stimulating, because very likely, the person you meet will be different in some way. In fact, it is this very difference that attracts you. Tonight: Reassuring encounters with others. LIBRA (Sept. 23-Oct. 22)

 $\star \star \star \star$  You might be surprised by a boss, parent or someone in a position of authority today. (Busted!) On the upside, positive news might come your way from on high. Opportunities related to higher education, the law, medicine, the media and publishing are blessed right now. Tonight: You are admired

#### SCORPIO (Oct. 23-Nov. 21)

★★★ Travel plans are completely unpredictable today. You might suddenly have to travel alternatively, planned travel might be interrupted or canceled. You might meet someone today who is unusual Perhaps you will learn something new from them. Tonight: Explore!

SAGITTARIUS (Nov. 22-Dec. 21) ★★★★ Keep`an eye on issues related to shared property, banking, debt and inheritances taxes, because something unexpected could impact these areas. When it comes to money or shared wealth, it's wise to know what's happening. A stitch in time and all that. Tonight: Check your assets.

CAPRICORN (Dec. 22-Jan. 19) ★★★ Today someone close to you, perhaps a partner, spouse or friend, might throw a curveball your way. Something unexpected will happen. They might make an unusual suggestion or demand, or perhaps they will do something that surprises you. Possibly, you will meet someone new who is "different." Tonight: Listen

AQUARIUS (Jan. 20-Feb. 18) ★★★★ Your work routine will be interrupted today -- almost certainly. Equipment breakdowns, computer snafus, mixed-up messages, staff shortages and power outages are just some things that might surprise vou. Perhaps someone has unusual news. (Check on your pet.) Tonight Work

PISCES (Feb. 19-March 20) ★★★ Parents should take note that this is an accident-prone day for your kids, so be extra vigilant. Social plans might suddenly change. Ditto for sports events. For example, you might receive a surprise invitation or, by contrast, social plans might suddenly be canceled. Romance also might hold some unexpected surprises. Tonight: Play!
