**Cuddle Puddle!**

Hi there! We are Holly and Hemingway, a bonded pair who need to be adopted together. We had a bit of a hard start in life, but have come incredibly far in trusting people, and are all set to find our perfect family. We are both fixed, up to date on shots, and FIV/FeLeuk negative. Holly (front) is a bit shy, but uber-playful and will entertain herself for hours with a spinny-ball toy. Hemingway has extra toes on all four feet – his mittens are adorable! He is immediately friendly with nearly everyone, and a huge purr-box. Looking for a pair of sweet kitties to share your home? We could be it! If you are interested in adopting any PAWS animal, please email [pawsofjackson@gmail.com](mailto:pawsofjackson@gmail.com) (preferred), or text or leave a voice message at 507-841-1834.
